A 38 m Peri Yachts motor yacht with Scaro Design styling, refitted in 2023, with a top speed of 24 knots, an on-deck jacuzzi and a large water-toy package for 10 guests in 5 cabins.

## Description

The FX 38 is a 38 m composite motor yacht built in Turkey by Peri Yachts in 2016 and refitted in 2023. Her exterior, interior and engineering are all by Scaro Design, and she is built to RINA/MCA-compliant standards on a V-shaped planing hull in glass-reinforced epoxy sandwich.

Twin MTU engines give her a cruising speed of 20 knots and a top speed of 24 knots, with a range of up to 1,250 nautical miles. Fuel capacity is 39,000 litres, and two 700 l/h watermakers keep her independent at anchor. A shallow 1.57 m draft lets her reach quiet bays close to shore.

She sleeps 10 guests in 5 cabins: a full-beam master suite with its own private office, two double cabins and two twin cabins. The modern wheelhouse, generous saloon and large outdoor areas, with an on-deck jacuzzi, wet bar, alfresco dining and a beach club, make her equally suited to family cruising and entertaining. She is fully air-conditioned, with Wi-Fi, TVs in the saloon and every cabin, a Sonos sound system and Crestron control.

For time on the water she carries a 5.65 m Williamson tender, a Sea-Doo jet ski, a Seabob F5S, a Liftfoil, paddleboards, canoes, inflatables, waterskis and a wakeboard, plus gym equipment on board.

A crew of 7 is accommodated in 4 separate cabins.
