Aegean Yacht	6	12

A 26 m steel-hulled explorer yacht built by Aegean Yacht in Bodrum, with a 3,500 nm range, stabilisers and six en-suite guest cabins for 12 guests.

Description

The Aegean Explorer M26 is a 26 m long-range explorer yacht built in 2024 by Aegean Yacht in Bodrum, Turkey. She has a steel hull and aluminium superstructure, 187 GT of volume and CE design category A, and both exterior and interior are by the yard's own design team.

She is built for long-distance cruising. Twin MAN D2676 engines of 650 hp each give a top speed of 12.7 knots, and at an economical 8 knots her 15,700 litres of fuel carry her about 3,500 nautical miles. CMC stabilisers, a bow thruster and a shallow 2.04 m draft make her comfortable and easy to handle.

Ekmar Turizm Ticaret A.Ş., Kemeraltı Mah. Yeni Datça Yolu No: 21E, 48700 Marmaris / Muğla / Türkiye
Particulars are believed correct but not guaranteed. Offered subject to contract and to the yacht being unsold. Prices exclude VAT. TÜRSAB licence No. 2262.

She sleeps 12 guests in six cabins: three master cabins, one VIP and two doubles, every one with its own en-suite bathroom. Four separate en-suite cabins accommodate the crew.

Two 35 kW Kohler generators, ten solar panels and a 350 l/h watermaker keep her self-sufficient at anchor, with 5,280 litres of fresh water on board. She is fully air-conditioned and carries Simrad navigation electronics, satellite TV and a hydraulic passerelle.
